THE NEWS FROM THE OLD NORTH STATE AND ITS CAPITAL

OUR RALEIGH

Important Action of the Agricultural and Mechanical College.

WOMEN TO BE ADMITTED

Raleigh, N. C., July 6 .- The trustees of the Agricultural and Mechanical Col- ern cities, ege met here yesterday and did two important things:

Elected Dr. George T. Winston president of the college. And decided to open the institution to

For president two ballets were taken. The first resulted as follows: Winston, 8; Primrose, 7; Brewer, 2; Dixon, 1;

Holladay, 1, making 19 votes-necessary to a choice, 10. Those voting for Winston were: Stokes, Smith, Sinclair, Wood, Moore,

Harris, Pecle and Ray.

Harris, Peele and Ray.

On the second ballot Waller and Clark left Printose for Winston and the vote stood: Winston, 19; Primrose, 5; Brewer, 3; Gore, 1.

Winston was accordingly declared elected and a motion made to make the election unanimous. This motion was, however, later withdrawn.

The resolution opening the college to women was introduced and advocated by Mr. Tompkins, Mr. Webb led the opposition to it. The vote was 9 to 6 in favor of the admission of women.

MORE SPLENETIC FEVER. MORE SPLENETIC FEVER.

Anothe, SPILENETIC FEVER.

Another herd of cattle was found in this county yesterday with splenetic fever. They belonged to Mr. C. P. Powell, who lives near Garner, in the neighborhood of Mr. John F. Broughton, in whose herd the disease broke out last week.

of North Carolina:

General Orders, No. 17.

Raicigh, N. C., July 5, 1899.

1. The following companies having compiled with the regulations governing admission to the State Guard are accepted and assigned as follows; FIRST REGIMENT.

Freeman, of this city. The ceremony bridal couple left on the porthbound

Academy of Music for the coming season, and guarantees our theater goer first-class shows in every respect under his own management. The public can look for a scason of enjoyment, as he has already several first-class shows

hes already several first-class snows booked.

The steamer Wagner, owned by the Norfolk and Southern railread, has been hauled up on Willey's railway, for the purpose of being rebuilt.

The Albemarle Fire Company's Band returned home yesterday and reported a fine time at Roper.

The family of Mr. Louis Selig, after spending several weeks in Norfolk visibiley relatives, returned home yesterday.

Inst week.

Mr. Broughton was in the city last night, and said his cattle continue to die. He has lost eight very valuable cows and expects to lose several more, as there is practically no cure for the disease. He had Dr. Curtice, who is an expert veerinarian, to see his herd yesterday. The Doctor is doing all he can to prevent the spread of the disease. The people around Garner are very much alarmed at the situation.

Nothing further was yesterday heard as to the condition of Mr. Dun's cattle near Neuse. They also have the dread disease and up to Tuesday morning two of them had died. Dr. Curtice will go out this morning to see this herd.

The following general order was yesterday leads of the company to furnish all the purpose of the company to build up in contemplation to furnish all the power that may be needed in Durham, Halvide Leads to the condition of Mr. Dun's cattle out this morning to see this herd.

The following general order was yesterday leads the following general order was yesterday the disease.

The following general order was yesterday the disease and up to Tuesday morning two of them had died. Dr. Curtice will go out this morning to see this herd.

The following general order was yesterday the disease and up to Tuesday morning two of them had died. Dr. Curtice will go out this morning to see this herd.

The following general order was yesterday heard the purpose of the company to build up in contemplation to furnish all the purpose of the company to build up in contemplation to furnish all the power that may be needed in Durham, Halvide All the morning two of the disease.

The purpose of the company to build up in contemplation to furnish all the power that may be needed in Durham, Halvide All the morning two of the man and the material plants, furnish power for running factories, mils, etc. It is also in contemplation to furnish all the power that may be needed in Durham, Halvide All the morning two of the man and the material plants, furnish power for running factories, mils, etc. It is als the purpose of the company to build up industrial plants, furnish power for running factories, milis, etc. It is also in contemplation to furnish all the power that may be needed in Darham, Raleigh, Fayetteville and other towns. This new enterprise is a gigantic one, and doubtless we shall see some wonderful results accomplished by it in the future. The men behind it are men of means, energy and push, and will make a great success of it.

Edenton, N. C., July 6.-Rev. G. N. Cowan went out to Rocky Hock this
